ASHISH DONDA

FRONTEND DEVELOPER

1501- 220B IRA Needles BLVD, Kitchener, ON N2N0C6

+1 6478799973

ashishdonda122@gmail.com

OBJECTIVE

To Obtain Web & Mobile Developer Position where I will be able to Contribute My Skills and Knowledge to a Company that will give me an Opportunity to Develop my Career in the Field of Web Mobile Design and Development.

EXPERIENCE

July 2018 – June 2021
Frontend Developer • Goldenmace IT Solutions

- ➢ Worked as an intern initially and was offered a full-time position as a Junior Developer within a few months.
- ➢ Developed and maintained websites using WordPress, HTML, CSS, and JavaScript
- ➢ Worked on several projects involving different technologies, such as Java, Python, and .NET.
- ➢ Collaborated with team members to develop and implement new features for web applications.
- ➢ Conducted testing and debugging to ensure high-quality products were delivered to clients.
- ➢ Managed project deadlines and ensured timely delivery of the projects.
- ➢ Worked with clients to gather requirements and provide technical support.
- ➢ Working all phases of Software Development Life Cycle using Agile Methodology.
- ➢ Implemented and maintained application with Waterfall methodologies.
- ➢ Implemented application using Spring MVC framework for maintainability.
- ➢ Working with IoT for Home Automation.

COMMUNICATION & LEADERSHIP

While I was pursuing my bachelor's in information and technology as a side hustle I started working as Freelancer for Barcode Entertainment as field promotor. Soon I was offered supervisor position & later was offered operations executive position. I was fortunate enough to work for clients like Discovery, Byjus, Zomato, etc. Working in a marketing company really helped me to gain skills like management, teamwork, communication, patience, adaptability, etc.

EDUCATION

Web Design & Development,
Conestoga College,
May 2021 - September 2022.
